

Alone and Unsupported: why student carers need more help

The Guardian newspaper has recently published an article, written for Carer's Week, covering the challenges facing students who are carers. Autumn Beard, from Sheffield Hallam University, was one of the students interviewed for this piece.

The article can be found here: <http://www.theguardian.com/education/2016/jun/23/alone-and-unsupported-why-student-carers-need-more-help>
