

Carers Centre volunteers celebrated in Sheffield Telegraph!

Some of Sheffield Carers Centre's amazing volunteers are celebrated in today's [Sheffield Telegraph](#)! Clocking up a total of 86 years of volunteering to help get carers our regular newsletter, it is a great news story.

Would you like to help too? We are recruiting volunteers to provide befriending for carers who are especially isolated, as well as those in hospital and to carers who phone the Carer Advice Line.
