

Do you (still) want our Newsletter?

After 25 years of posting out an informative and well-received Newsletter, we are switching to sending it to carers by email.

If you are new to Sheffield Carers Centre and would like to register and receive our Newsletter, please complete our [short registration form](#)

- **If you get our Newsletter and would like to continue to receive it, please email update@sheffieldcarers.org.uk with your name, address, post code and date of birth.**
- **If you have access to the Internet but no email, please let us know by phoning 0114 272 8362.**
- **If you are no longer a carer, please get in touch.**

We will continue to provide useful advice, signposting to relevant services and valuable support in a Newsletter but we need to make this affordable, as printing and posting it costs a huge amount of money.

Receiving our Newsletter by email will be beneficial, as you will get our useful and timely information more frequently. We will also be using this change to review and improve the Newsletter, so the content meets your needs.

Finally, please know that we will work to ensure that every carer who wants to get our information can do so.
