

Sheffield Carers Centre achieves ISO 9001 accreditation

We are delighted and proud to announce that Sheffield Carers Centre has achieved the prestigious ISO 9001 Certification. This internationally recognised quality standard provides evidence an organisation has a robust quality management system in place. It is designed to help organisations improve their operation, deliver a quality service and demonstrate strong governance.

Pauline Kimantas, Chief Executive of Sheffield Carers Centre, commented: “The Charity is very proud to have gained the ISO 9001 accreditation, as it helps demonstrate our commitment to delivering a quality service to support carers in Sheffield. Many thanks to our staff for their hard work and dedication in helping the Charity achieve this accreditation”.
