

Survey for Male Carers

Are you a man caring for someone who wouldn't be able to manage without your support, perhaps because they are ill, frail, elderly or disabled. We would really like to know what services and facilities you would like Carers in Sheffield to provide.

The survey has been posted out with every copy of the June edition of the Carers in Sheffield newsletter. If you would prefer to complete the survey electronically, you can do so by clicking [here](#).

The closing date for the survey is **Friday 17 July 2015** and we are offering a £20 gift voucher to the sender of the first completed survey pulled from a hat shortly after that date.
