

The Light Cinema Sheffield joins our Carer Card

The Light Cinema Sheffield joins our Carer Card

Carers registered with Sheffield Carers Centre can now enjoy a special discount to watch movies at The Light Cinema Sheffield on the Moor. The Light is one of over 40 businesses that provide discounts and offers to unpaid carers.

[Carers can register and get a Carer Card here](#)

So this weekend, why not take advantage of this great offer and book to see [How To Train Your Dragon: The Hidden World](#) at The Light Cinema Sheffield.

Rebecca Bell, Assistant Manager of The Light Sheffield said "We're backing the *Carer Card* as we want to support our community and recognise the contribution of those who care for others. We want the best in cinema to be available to everyone. I have personal experience of the barriers carers can encounter and I'm proud that we can help."

Book tickets in person or online

Either way you book, just bring your card with you to the cinema to prove you are eligible. To book online, simply choose which film and showing you want at sheffield.lightcinemas.co.uk and select the *Blue Light* ticket type: £7.95 off peak and £8.95 for peak time showings.

When you buy online you get an email with a QR code. This acts as your ticket and can be printed or used on a phone. Each *Carer Card* allows you to buy one discounted ticket, valid at the Sheffield Light cinema only.
