In important other news...

The next review of the **Adult Carers & Young Carers Action Plan Review** is on 30 October 10am-1pm at The Circle, 33 Rockingham Lane, S1 4FW and is hosted by Sheffield City Council. It's vital that carers view what services are doing to make Sheffield a more carer-friendly city, hold decision-makers to account and help shape what develops.

The NHS Sheffield Clinical Commissioning Group (CCG), Sheffield City Council and Healthwatch have worked with people receiving services to develop a **Continuing Healthcare (CHC) Newsletter** with the aim of being more open and transparent. It will be published every 6 months. Issue #1 outlines how the Newsletter will deliver what it promises, details of changes around services and the way that the voice of service users will be heard. You can receive the Newsletter by email or [view it here](#).
