

# CARERS' STORIES WANTED

Community Contact Tracers

For our second episode, we want to hear about your experience as a carer during COVID-19.

As part of our docuseries "Seldom Heard Communities", we want to share the stories of those who have been underrepresented in the media and to give them a voice.

[HERE!](#)

The first episode focuses on the lives of members of the BAMER community.

DOCUSERIES

If you want to have your say  
or  
to get involved in any way,  
you can fill in this form:
