

Sheffield Carers Centre

A brief introduction to our services

We're an independent charity committed to helping carers in Sheffield and we've been developing and delivering support services for over 25 years. Details of how we can help with information and advice and other types of support are kept updated on the 'Our Services' page of our website. We recommend carers regularly check the site and our social media pages for all the latest news.

For more details visit: www.sheffieldcarers.org.uk or follow our posts on Facebook and Twitter

Carer Advice Line

For information, advice, signposting plus practical and emotional support.
The line is open from 10am to 4pm on Monday-Friday: 0114 272 8362

Carer Card

Discounts and offers from local and national businesses for all carers registered with us or with Sheffield Young Carers. Please note the range of offers available may be affected during Covid-19

Carer's Assessment

This is a legal right of all adult carers looking after another adult. It provides a chance to see how caring impacts the carer and what solutions can be found to address these issues.

Carers Café

Our 'Carers Cafe' meets via Zoom at 10am every Friday to offer people a short break from caring. Please visit www.sheffieldcarers.org.uk/services and click on Carers Café for more details.

Carers Support Groups

Some Carer Support Groups have been meeting via Zoom but have also started to meet in person. Please visit www.sheffieldcarers.org.uk/services and click on Support Groups for more details.

Carers News!

Our monthly Enews provides unpaid carers with up-to-date information about services & activities. Visit www.sheffieldcarers.org.uk/information-library/carers-news to sign up for a free copy.

Community Connect

Our team of volunteers can arrange to contact carers on a weekly or fortnight basis. The aim is to provide practical information and support as well as helping to reduce social isolation.

Legal Advice Service

This enables carers to have a phone call with a solicitor to offer advice on some of the common legal issues facing carers.

Plan for an Emergency

This helps preparations to be made so the person being cared for is looked after in an emergency.

Time for a Break

This provides help to get a break from caring and some quality time for carers.
